

VIRTUS CLASS

Virtus training is required for all adults that have contact with our students and want to volunteer at the school or parish. A class is being offered at St. Mary on November 15, 2017, at 5:30 p.m. Please use the school entrance. To take the class, you must preregister on line at Virtus online.org. At the end of setup, you will be asked to do a background check and select a class. You must do both of these to complete the process. The background check is a one-time fee of \$25.00. They will take most major credit cards. It takes only a few minutes to complete. Select a training session. Look for our date and location on the list. You will receive all handout materials and booklets during the class. No need to download or copy them. Any questions, please call Michelle Salyer at the school on Tuesday or Wednesday or email me at stmarycre@cinci.rr.com, 937-840-9932.

LAUGHTER IS GOOD

You know you are lost and in a bad neighborhood when your GPS starts whispering directions.

On a billboard ad for a safe company... "If your stuff is stolen, it's not our vault!"
